

PET EMPORIUM

Emergency Supply Checklist

Don't wait for a mandatory evacuation to pick up your pet supplies!

- Food that your pet currently eats and water**
At least one week's worth of supplies
- Crate or another carrier**
Crates and carriers enable you to safely store and transport your pet(s) to a safe location or store your pets' emergency supplies to ensure necessities are in one place.
- Bed, crate mat, and blanket**
- A dish for travel food and water**
- Harness and leash** (if it applies to your pet type)
- Waste disposal** (i.e., waste pick-up bags, cat litter, pan, scoop)
- Important documents** (i.e., rabies vaccinations, medical history, vet information, residence, (possible 2nd location the pet can be brought to in the event you get separated), a recent picture of your pet.))
- Any medications your pet takes** (consider adding something for anxiety)
- Basic pet First Aid Kit**
- Toys** (if it applies to your pet type)
